Multiply

Life skills - managing money

Gain an overview of everyday tools that are available to you to help you manage your money better and to allow you to make savings, set a budget and understand everyday maths issues.

Delivery:

Blended Learning, 6 Sessions.

Eligibility:

You must be 19+ and living in Cambridgeshire, Peterborough and Fenlands.

Learning Content:

Using resources from National Numeracy, Financial Life Skills and BKSB to discuss strategies around simple calculations, budgeting and numbers in everyday life.

Benefits:

- Boost your confidence and ability to use maths in everyday life.
- Learn how to budget for life in difficult financial times.
- Learn how to save money, cut costs and understand key financial terms.
